PROFESSIONAL SUMMARY

Hardworking and reliable agriculture and food-processing worker with hands-on experience in farm operations, apiary support, and food processing environments. Strong physical stamina, attention to hygiene and safety, and proven ability to work in fast-paced seasonal settings. Practical skills include harvesting, sorting, packaging, basic machinery operation, and team coordination. Motivated to contribute to productive, safe, and efficient operations and available to start immediately or seasonally.

KEY SKILLS

- Harvesting, trimming, and field maintenance
- Food processing line support: cleaning, sorting, packaging
- Basic machine and hand-tool operation (mowers, trimmers, hand-tools)
- Sanitation, PPE use, and basic HACCP awareness
- Manual handling and safe lifting techniques
- Teamwork, reliability, and punctuality
- Composting, soil care, and simple irrigation assistance
- Ability to follow instructions and quality checklists

WORK EXPERIENCE

Apiary Worker & Volunteer Assistant - Community Projects

2020 - Present

- Supported hive maintenance, honey extraction prep, and seasonal inspection under the guidance of experienced beekeepers.
- Helped implement a simple composting system that improved soil health for garden beds and reduced organic waste.
- Trained and supervised small teams of volunteers during peak seasons to ensure safe handling and consistent practices.

Installer / Helper - Installations & On-site Projects

2021 - 2023

- Worked on processing lines performing cleaning, gutting, filleting support, and packaging duties while following strict sanitation and HACCP-style procedures.
- Performed repetitive quality checks and supported supervisors in maintaining store-ready product standards.

Silviculture & Forestry Support - Seasonal Work

Summer 2021

- Assisted with tree-planting crews and nursery tasks, including seedling preparation, site marking, and crew logistics.
- Followed safety briefings, adhered to site procedures, and contributed to meeting daily planting targets.

EDUCATION

Licence en Business Intelligence & Statistiques | Université Ibn Zohr – Agadir | 2022

- Modélisation, analyse de données, data warehouses, machine learning basique.

Diplôme en Développement de Systèmes d'Information | Centre BTS Guelmim | 2021

- Développement web, bases de données, analyse de systèmes.

ADDITIONAL INFORMATION
