Subject: Application for awning installer Position

Dear Hiring Manager,

I am writing to apply for the awning installer position at Serge Lambert in Quebec City, Quebec, Canada, G1M2X5. I have hands-on experience in grounds maintenance and landscaping, and I am committed to delivering reliable, safe, and high-quality outdoor care. I work hard, arrive on time, and take pride in maintaining tidy, attractive spaces for residents and visitors.

In my recent roles I performed regular mowing, edging, pruning, planting, and seasonal clean-ups for both public parks and private properties. I am experienced operating walk-behind and ride-on mowers, trimmers, and blowers, and I always follow PPE and equipment safety procedures. For example, while contracted with a municipal team I helped maintain multiple parks and supported planting programs that noticeably improved site appearance and community satisfaction.

I am motivated to join Serge Lambert because of your reputation for quality and attention to detail. I learn company procedures quickly, work well in small crews, and can contribute immediately to routine maintenance and short-term projects.

Thank you for considering my application. I have attached my résumé and certifications and would welcome the chance to discuss how I can support your team. I am available to start immediately and can be reached at abdellahgram01@gmail.com.

Sincerely,

Abdellah Gram
