PROFESSIONAL SUMMARY

Hardworking and reliable agriculture and food-processing worker with hands-on experience in farm operations, apiary support, and food processing environments. Strong physical stamina, attention to hygiene and safety, and proven ability to work in fast-paced seasonal settings. Practical skills include harvesting, sorting, packaging, basic machinery operation, and team coordination. Motivated to contribute to productive, safe, and efficient operations and available to start immediately or seasonally.

KEY SKILLS

- Industrial cleaning: pressure washing, steam cleaning, degreasing
- Sanitation & hygiene: surface disinfection, waste handling, HACCP awareness
- Chemical handling & PPE use (mixing, dilution, MSDS/WHMIS awareness)
- Confined space awareness and safety checks (where applicable)
- Equipment maintenance: pumps, pressure washers, scrubbers
- Accurate record keeping and cleaning logs
- Physically fit for heavy lifting and repetitive tasks
- Reliable, punctual, team player; able to work early shifts and weekends

WORK EXPERIENCE

Industrial Cleaner - Coastal Processing (Contract)

Mar 2023 - Oct 2024

- Performed high-pressure washing, degreasing, and sanitizing of processing lines and equipment following HACCP-style procedures.
- Conducted pre- and post-shift equipment checks and logged sanitation activities to meet quality standards.
- Reduced machine downtime by coordinating cleaning schedules to avoid production bottlenecks.

Tank & Vehicle Cleaner - Logistic Fleet Services

Jan 2022 - Feb 2023

- Cleaned and decontaminated tanker interiors/exterior, using appropriate chemicals and confined-space precautions.
- Inspected seals, valves, and hatches for residue and reported maintenance needs; ensured safe handling of cleaning agents.
- Maintained digital records of completed cleans and safety checks.

Silviculture & Forestry Support - Seasonal Work

Summer 2021

- Assisted with tree-planting crews and nursery tasks, including seedling preparation, site marking, and crew logistics.
- Followed safety briefings, adhered to site procedures, and contributed to meeting daily planting targets.

EDUCATION

Licence en Business Intelligence & Statistiques | Université Ibn Zohr – Agadir | 2022

- Modélisation, analyse de données, data warehouses, machine learning basique.

Diplôme en Développement de Systèmes d'Information | Centre BTS Guelmim | 2021

- Développement web, bases de données, analyse de systèmes.

ADDITIONAL INFORMATION

- Reliable, punctual, and able to work in fast-paced construction environments.
- Strong problem-solving and mechanical aptitude.
- Willing to travel or relocate for construction projects
