Hiring Manager
Capital Honda
Charlottetown, PE, C1E 1R3

Subject: Application for automotive mechanic Position

Dear Hiring Manager,

I am writing to express my interest in the automotive mechanic position at Capital Honda in Charlottetown, PE, C1E 1R3. I offer reliable, hands-on experience across practical work environments and a strong willingness to learn, qualities that apply equally well to manufacturing and skilled trades, fashion & craft production, and animal & veterinary support roles. I take pride in punctuality, careful workmanship, and following safety and hygiene procedures on every job.

In manufacturing and skilled trades roles I have worked on assembly, installation, and equipment maintenance tasks, following technical instructions and quality checklists to meet production targets. In fashion and craft settings I have experience with detailed, repetitive tasks that require a steady hand, attention to tolerances, and quality-focused inspection. In animal and veterinary environments I understand the importance of cleanliness, careful handling, and following site protocols to protect animal welfare and operational safety. Across all contexts I maintain clear communication with supervisors, keep accurate logs, and support team members to ensure smooth operations.

I am based in Agadir, Morocco, and I am fully willing to relocate to Canada for the right opportunity. I am available to start immediately, willing to work early shifts, weekends, or seasonal schedules, and I welcome the chance for a trial day to demonstrate practical ability and work ethic.

Please find my résumé attached for more details on my experience and skills. I would be grateful for the opportunity to discuss how I can contribute to Capital Honda's goals, whether on the production floor, in a workshop, or supporting animal care tasks. You can reach me at +212 642 715 170 or abdellahgram01@gmail.com.

Thank you for considering my application. I look forward to the possibility of contributing to your team.

Sincerely,
Gram Abdellah
