Agadir, Morocco (Willing to relocate to Canada) | +212 642 715 170

abdellahgram01@gmail.com

## PROFESSIONAL SUMMARY

---

Versatile and dependable hands-on worker with practical experience across manufacturing/assembly, craft and fashion support, and animal care environments. Strong mechanical aptitude, excellent fine-motor skills for detailed work, and a safety-first approach. Proven ability to follow technical instructions and SOPs, perform repetitive high-quality tasks, maintain cleanliness and animal welfare standards, and support small teams to meet production or operational targets. Ready to relocate to Canada and contribute from day one.

## KEY SKILLS

---

- Assembly & installation: component fitting, fastening, quality checks
- Fine-motor craft skills: basic sewing, setting, finishing, pattern following
- Animal care support: safe animal handling, sanitation, feeding assistance
- Equipment operation & basic troubleshooting (hand & power tools)
- Quality control, inspection, and defect identification
- Safe chemical handling, PPE use, and workplace hygiene
- Record keeping, shift logs, and adherence to SOPs
- Teamwork, punctuality, and strong work ethic

## WORK EXPERIENCE

---

### Assembly Technician - Local Manufacturing

Apr 2023 - Present

- Performed repetitive assembly tasks on small production lines, following work instructions and quality checklists.
- Conducted visual inspections and removed defective parts to maintain product standards.
- Assisted with material staging, packing finished goods, and keeping production areas organized to reduce bottlenecks.

### Craft & Installation Assistant - On-site Projects

Jan 2022 – Mar 2023

- Supported installation and finishing tasks (fixture installation, small fittings, basic sewing/hemming, and setting).
- Followed technical drawings and supervisor guidance to assemble and finish components to specification.
- Maintained tools, performed basic maintenance, and ensured accurate counts of parts and fasteners.

### Apiary Worker & Volunteer Assistant - Community Projects

2020 – Present

- Supported hive maintenance, honey preparation, and seasonal inspections; followed safety protocols around bees.
- Trained and supervised volunteers during busy seasons and implemented composting routines that improved soil quality for garden beds.
- Kept detailed logs of maintenance tasks and contributed to improved hive survival rates through careful monitoring.

## EDUCATION

---

### Licence en Business Intelligence & Statistiques | Université Ibn Zohr – Agadir | 2022

- Modélisation, analyse de données, data warehouses, machine learning basique.

### Diplôme en Développement de Systèmes d'Information | Centre BTS Guelmim | 2021

- Développement web, bases de données, analyse de systèmes.

## ADDITIONAL INFORMATION

---

- Reliable, punctual, and able to work in fast-paced construction environments.
- Strong problem-solving and mechanical aptitude.
