## PROFESSIONAL SUMMARY

Reliable and hardworking landscaping and grounds maintenance professional with over 3 years of hands-on experience in public parks, private estates, and volunteer-run community gardens. Strong physical stamina, attention to detail, and a results-driven mindset, experienced with turf care, planting, irrigation support, equipment operation, and small team coordination. Committed to safety, punctuality, and delivering visible improvements to outdoor spaces.

## KEY SKILLS

- Groundskeeping: mowing, edging, pruning, weed control
- Planting & mulching, seasonal planting plans
- Irrigation support and basic repairs
- Equipment operation and maintenance (ride-on mowers, trimmers, blowers)
- Manual handling, safe lifting, PPE use
- Teamwork, supervision of small crews
- Time management, punctuality, customer-focused
- Basic tool repair and routine maintenance

## WORK EXPERIENCE

### Groundskeeper, City Parks & Recreation (Contract)

Jan 2024 - Oct 2024

- Maintained daily care of 12 municipal parks (mowing, edging, pruning ...) ensuring safe and clean public spaces.
- Performed seasonal planting and mulching programs, increasing green coverage by 15% across assigned zones.
- Operated walk-behind and ride-on mowers, hedge trimmers, and leaf blowers while following safety protocols.
- Responded to resident requests and reduced maintenance-related complaints by 30% through proactive upkeep.

### Landscaping Crew Member, GreenScape Services (Private & Residential)

Apr 2022 - Dec 2023

- Installed soft landscaping projects including turf laying (500+ m<sup>2</sup>), shrub planting, and basic hardscape preparation.
- Assisted with irrigation repairs and seasonal system flushing to improve water efficiency.
- Collaborated with crew lead to finish projects on time, routinely handled lifting, transporting materials, and tool maintenance.

### Maintenance Assistant, Local Sports Club (Seasonal)

Summer 2020 - 2021

- Organized volunteer schedules, supervised small teams (3-6 volunteers) during planting and clean-up events.
- Implemented a composting and waste management routine that reduced landfill waste by an estimated 40% for the garden.
- Taught basic plant care and pruning techniques to new volunteers, improving overall plant survival rates.

## EDUCATION

- Bachelor's Degree in Business Intelligence & Statistics | Ibn Zohr University - Agadir | 2022
- Diploma in Information Systems Development | BTS Center - Guelmim | 2021

## ADDITIONAL INFORMATION

- Reliable, punctual, and able to work in fast-paced construction environments.
- Strong problem-solving and mechanical aptitude.
- Willing to travel or relocate for construction projects.
