Subject: Application for cashier Position

Dear Hiring Manager,

I am writing to apply for the cashier position at Na Na Foods Supermarket in Winnipeg, MB, R3E 0R2. With practical experience in cashiering, store support, and small-team supervision, I offer reliable customer service, accurate cash handling, and a strong commitment to maintaining tidy, well-organized retail spaces.

In my recent roles I operated POS systems, reconciled cash drawers, and assisted with merchandising and inventory tasks during busy promotions. I take pride in punctuality, clear communication with supervisors and customers, and following store procedures to reduce shrinkage and improve service speed. I also train new staff on customer-facing standards and till processes to help teams perform consistently.

I am based in Agadir, Morocco, and am willing to relocate for the right opportunity. I am available for early shifts, weekends, and seasonal work, and I can start immediately. I would value the opportunity to discuss how my reliability and hands-on experience can support Na Na Foods Supermarket's operations and customer experience.

Please find my résumé attached. Thank you for considering my application, I look forward to the possibility of contributing to your team.

Sincerely,  
Gram Abdellah
